

SPRING ROAD INSPECTION
APRIL 15, 2022

The Supervisors met at the town hall at 8:00 A.M. to do the annual spring road inspection. Present were: Supervisors Dave Johnson, Tom Malloy, Darryl Moser and clerk Patsy Olson.

All of the gravel roads need to be graded when weather permits. The asphalt roads need to be checked and cracks filled.

OXCART ROAD: There is a pile of lumber, will that be burned?

SOUTH LONG LAKE BAY ROAD: Patch asphalt at the corner with Lakeview Drive.

SMART ROAD: Brush the north side.

70th. STREET: remove downed tree and cut tree on the north side and two on the south side. Remove tire from the ditch.

OAKRIDGE ROAD: Looked for the pot hole that was reported to cause struck damage but couldn't find. Culvert has been installed.

Returned to the town hall at 10:25 A.M.
