

REGULAR MEETING  
FEBRUARY 16, 2023

The regular meeting of the Long Lake Board of Supervisors was called to order at 5:00 p.m. by Chair David Johnson. Present were: Supervisors Thomas Malloy and Mark Olson, Treasurer Virginia Smart and Clerk Patsy Olson. Also present were: Ron Rardin and Rob Hall. Pledge of allegiance was given.

Minutes of the January meeting were read and approved. Treasurer's report was given and approved, subject to audit.

Rob Hall, Crow Wing County Highway Department engineer, talked about Paradise Beach Road and the possibility of doing paver patching in the places that need to be repaired instead of redoing the entire road. The patching would raise the road about 2 inches and that would help with water runoff. The cost would be about \$20.00 per foot and could last up to ten years. April first would be the date that the township would have to decide if they wanted to be on the county bid.

Canyon Creek Road culvert on County Road 22: the county is looking for an easement to work in the right of way to replace the current culvert with 6X5 and 6X4 cement culverts. The supervisors stated that they had no problem with the easement. The county will write up an easement agreement.

The supervisors will not be attending the county land use workshop.

The variance for Tom Stokkee, Paradise Beach Road for a guest cabin over size and height was discussed. Since the meeting was the same night there was not time for the supervisors to respond.

Town Hall door: The bid from Raskinski Total Door Service did not include the cost of the door. He submitted another bid for the door. Total costs would be total of the two estimates, \$7,518.12. Motion by Johnson, seconded by Olson to accept the bid. Carried with all voting in favor.

Ox Cart Road: Surveyor was out and will contact the clerk about what is needed to record the change in the road right-of-way.

Correspondence was discussed.

Motion by Johnson, seconded by Malloy and carried with all voting in favor to allow and pay the following bills:
