

REGULAR MEETING  
JULY 20, 2023

The regular meeting of the Long Lake Board of Supervisors was called to order at 5:00 p.m. by Chair David Johnson. Present were: Supervisors Thomas Malloy and Mark Olson, Treasurer Virginia Smart and Clerk Patsy Olson. Also present were: David Bear, Chuck Perins, Julie Dibble, Ron Rardin and Oak Lawn Supervisor Dan Vickerman. Pledge of allegiance was given.

Minutes of the previous meeting were read, motion to approve by Malloy and second by Olson and carried. Treasurer's report given, motion to approve by Malloy, second by Olson and carried, subject to audit.

Dan Vickerman stated that Oak Lawn Township wanted to add class 1 for a distance of ¼ mile to the west end of Butternut Road at a cost of about \$13,000.00. He will send a written proposal to the clerk for the next meeting.

Johnson to check about getting a written easement with Kathy Hyatt for the turnaround in the field at the end of Mogensen Shores Road.

David Bear is considering building a garage on the platted road at the end of Mogensen Shores Road. He will need a road setback variance if he builds a structure but not if he adds a concrete slab or just gravel. Approximately 5 or 6 large trees would need to be removed and something would have to be done to insure the stability of the road. Motion by Johnson to allow him to proceed with a parking pad, either gravel or cement. Second by Malloy and carried with all voting in favor. If at a later date he wants to build a garage he will need to get the variance.

Paradise Beach Road: Holmwig is installing the culvert at the north end soon. Johnson to notify property owners so that they can move their vehicles if they have to get out while the work is being done.

Road maintenance plan: Johnson received estimates from Bolton and Menk and Widseth. One bid was for all the roads and the other just for the asphalt roads. Action was tabled to the next meeting.

Holmwig added class 5 to Thompson Road and Narrow Lane Road that was not on the road inspection report. Johnson to write a letter letting him know that he needs authorization from the town board before doing any extra work.

Mark Olson, Malloy and Patsy Olson will attend the District 8 meeting in Foley on Wednesday, August 16, meeting at the town hall at 4:00 p.m.

Correspondence was discussed.

Motion by Malloy, seconded by Johnson to allow and pay the following bills:
